TEAM BUILDING

Rally discovery in Strasbourg

A challenge for your staff set against the backdrop of the Alsatian capital, amongst half-timbered houses and the façades of the Neustadt, in the majestic shadow of Notre-Dame Cathedral and Vauban's fortifications.

OBJECTIVES

- **Strengthen team cohesion:** Your teams coordinate, communicate and support one another to achieve a common goal, in a positive and stimulating atmosphere.
- **Develop skills:** Rotating leadership, time management and decision-making are called upon at every stage.
- **Making the most of everyone's strengths:** The variety of challenges allows everyone to flourish, whether they are strategists, observers, communicators or analysts.
- **Creating shared memories:** A memorable experience that enriches the corporate culture long after the event has ended.
- **Discover Alsace in a new light:** The local heritage and anecdotes bring the adventure to life.

PRINCIPLE

- Each **team** is given a **roadbook** in the form of an 8-page booklet setting out a **specific route**. As they explore each street, they are presented with **observation questions**, **historical information** about must-see landmarks and anecdotes about **famous figures**.

PROCESS

- **Welcome and introduction:** Our experienced facilitator introduces the history of the town and explains the rules of the game.
- **Team formation:** Teams of between 5 and 10 participants, depending on your preference, to encourage interaction, with the same scavenger hunt for all teams but different routes to prevent them from following one another.
- **Self-guided participation:** A helpline is available to provide assistance if required.
- **Debriefing and impact:** A review of performance and team rankings to extend the benefits within your organisation.
- **Gifts and socialising:** Gingerbread for all participants and a bottle of Alsace wine from a local producer for each member of the winning team.

PRACTICAL INFORMATION

- **Included in the package:** Organisation of the rallye, the presence of a facilitator, and prizes on completion.
- **Opening hours:** From 8.30 am to 5 pm (4 pm from October to March).
- **Options:** Change of start/finish location / Personalisation of gingerbread with your company's name / Finish at a Winstub for a tasting of Alsatian wines, soft drinks, Kougelhopf and pretzels.
- **Personalised quote:** On request.
