Rally photo in Strasbourg

ITINERARY

Historic city centre of Strasbourg: Cathedral district, Gutenberg district and Petite France district

CHALLENGE

Will you be able to find the Strasbourg building on which a photo of a detail of its façade was taken? Learn how to be an observer, as this operation needs to be repeated on 8 other monuments! But will you also find the building in connection with an enigma that needs to be solved? Once again, 8 puzzles are waiting for you!

DESCRIPTION

- The **experienced animator** presents a quick and amusing **history** of the city and **explains the course** of the rally
- The group is divided into **teams** of 5 to 8 members. You can form the teams according to the exchanges you wish to facilitate between participants
- A **roadbook** is given to each team. It contains **historical information**, the **itinerary** and **questions** related to the challenge
- Teams do the same rally but on different itineraries in order to avoid them following each other.
- The rally is run **autonomously**, however, the **animator can be reached by telephone** to provide assistance to a team in difficulty
- On arrival, the animator corrects the roadbooks, discloses the **answers** to the questions in front of all the teams by adding a few historical details, announces the ranking of the teams and **rewards** the participants: **1 traditional heart-shaped gingerbread for all participants and 1 bottle of Alsace wine from a small producer for each member of the winning team**
