TEAM BUILDING

# Rally tasting in Obernai

A challenge for your teams, combining an exploration of Obernai's traditional heritage with tastings of Alsatian culinary specialities, offered by renowned artisan workshops.

## OBJECTIVES

- **Strengthen team cohesion:** Your teams coordinate, communicate and support one another to achieve a common goal, in a positive and stimulating atmosphere.
- **Develop skills:** Rotating leadership, time management and decision-making are called upon at every stage.
- **Making the most of everyone's strengths:** The variety of challenges allows everyone to flourish, whether they are strategists, observers, communicators or analysts.
- **Creating shared memories:** A memorable experience that enriches the corporate culture long after the event has ended.
- **Discover Alsace in a new light:** The local heritage and anecdotes bring the adventure to life.

## PRINCIPLE

- Each **team** receives a **roadbook** in the form of an 8-page booklet setting out a precise itinerary. At each stage, **observation questions**, **historical anecdotes** about the most important tourist sites and **culinary stops** accompany the discovery tour. On the programme: each participant samples three types of **cheese**, a large **pretzel**, a glass of **Alsace wine** *(or a non-alcoholic drink)*, a selection of **gingerbread**, and, together with their team, enjoys a delicious **kouglof**.

## PROCESS

- **Welcome and introduction:** Our experienced facilitator introduces the history of the town and explains the rules of the game.
- **Team formation:** Teams of between 5 and 10 participants, depending on your preference, to encourage interaction, with the same scavenger hunt for all teams but different routes to prevent them from following one another.
- **Self-guided participation:** A helpline is available to provide assistance if required.
- **Debriefing and impact:** A review of performance and team rankings to extend the benefits within your organisation.
- **Gifts and socialising:** Gingerbread for all participants and a bottle of Alsace wine from a local producer for each member of the winning team.

## PRACTICAL INFORMATION

- **Included in the package:** Organisation of the rallye, the presence of a facilitator, tastings and prizes on completion.
- **Opening hours:** 10.00–16.00 from 8 January to 20 November.
- **Options:** Change of start/finish location / Personalisation of gingerbread with your company's name / Finish at a Winstub for a tasting of Alsatian wines, soft drinks, Kougelhopf and pretzels.
- **Personalised quote:** On request.
