District Cathedral

A treasure hunt around the 142-metre-high Upper Cathedral!

TOPICS COVERED

• The construction of Notre-Dame Cathedral – The role of trade guilds in the medieval city – The history of Strasbourg through the centuries *(Free City of the Holy Roman Empire and the Capitulation of Strasbourg to Louis XIV, etc.)* – The origins of street names – Symbolic features on the houses *(continents, the four seasons and mythological figures, etc.).*

PRINCIPLE

• Pupils are divided into teams of 6 to 8 pupils. Each team is given a **roadbook** route in the form of a booklet comprising five double-sided pages, which sets out **a specific itinerary** designed to enable pupils to find their way around easily. As they explore each street, they encounter **historical information** at key landmarks, as well as **observation questions** which pupils answer using a multiple-choice questionnaire.

• **Developing observational skills:** Pupils identify details to answer questions.

• **Developing spatial awareness:** Through the description of a specific route.

• **Teamwork and collaboration:** A team roadbook enables pupils to work together.

GAME PROCESS

• **Welcome and introduction:** Our experienced facilitator will welcome you and explain the rules of the game.

• **Team formation:** Based on your preferred team breakdown.

• **Independent participation:** A helpline is available to provide assistance if required.

• **Closing and debriefing:** On arrival, the pupils hand in their route books and answer sheets, which are marked individually; our facilitator then reveals the correct answers to the group.
