

SCHOOL-LEISURE CENTRE District Petite France

TOPICS COVERED

- The Reformation – The Free City of the Holy Roman Empire of the German Nation – The capitulation of Strasbourg under Louis XIV – The city's defensive system – The origin of street names – The importance of guilds – The principle of leather tanning

PRINCIPLE

- The group is divided into **teams of 5 to 8 students**. Each team will receive a **road book** that provides **historical information**, the **itinerary** to follow, and **questions**, as well as an **answer sheet** in the form of a multiple-choice questionnaire.

EDUCATIONAL VALUE

- **Discovery of local heritage:** exploration of the topics mentioned above to expand students' knowledge
- **Development of observational skills:** active visual research by students to find the answers
- **Spatial orientation:** following a well-defined route to strengthen observational abilities
- **Team spirit:** only one roadbook per team to promote collaboration

GAME PROCESS

- Welcome of the group and explanation of the game rules by our experienced supervisor
- Formation of teams, supervised by your chaperones
- Distribution of roadbooks and answer sheets
- Remote support via phone during the activity
- Collection and correction of answer sheets upon arrival
- Distribution of gingerbread cookies to students and chaperones
