

SCHOOL-LEISURE CENTRE

The European rally

TOPICS COVERED

- Visual discovery of the buildings in the European Quarter – The functioning of institutions such as the Council of Europe, the European Parliament, and the European Court of Human Rights – Presentation of the rotation of the presidency of the institutions through the artworks donated by member countries – as well as the names of great political figures who contributed to the creation of Europe

PRINCIPLE

- The group is divided into **teams of 5 to 8 students**. Each team will receive a **road book** that provides **historical information**, the **itinerary** to follow, and questions, as well as an **answer sheet** in the form of a multiple-choice questionnaire.

EDUCATIONAL VALUE

- **Discovery of local heritage:** exploration of the topics mentioned above to expand students' knowledge
- **Development of observational skills:** active visual research by students to find the answers
- **Spatial orientation:** following a well-defined route to strengthen observational abilities
- **Team spirit:** only one roadbook per team to promote collaboration

GAME PROCESS
