# Rally discovery in Obernai

## DIVE INTO ADVENTURE

- Embark on a journey to discover Obernai's medieval and Renaissance heritage through its picturesque streets! This team-building activity will have you exploring the fascinating history of the city in teams, while uncovering surprising anecdotes about its famous figures and monuments. Your **road book** will be a valuable companion, revealing **historical insights**, the **route** to follow, and **questions** to answer along the way. **Are you ready to take on the challenge?**

## TEAM BUILDING PROCESS

- Upon arrival, our **experienced facilitator** will warmly welcome you. She will offer a quick and entertaining introduction to the **city's history** to set the mood. She will then explain the **game rules** to ensure a smooth and engaging experience.
- **Teams**, composed of **5 to 8 participants**, will be formed based on information provided in advance by your company to encourage desired interactions. All teams will undertake the same rally, each following different routes to avoid crossing paths. During the self-guided rally, a **phone support service** will be available to answer all your questions.
- At the finish line, we will **review answer sheets** and announce the **rankings**. To reward team spirit, each participant will receive a **delicious heart-shaped gingerbread**, and every member of the winning team will leave with a **bottle of Alsace wine** from a local producer.

## PRACTICAL INFORMATION

- The rally organization, facilitator, and rewards are **included in the package**.
- Reservations are possible from Monday to Friday: from **January to November 15th**, between 10 a.m. and 4 p.m.
- **Three additional options** are available: changing the start and/or end location; customizing heart-shaped gingerbread cookies with your company's name (*maximum 25 characters*); and ending at a Winstub for a tasting of Alsace wines or soft drinks accompanied by savory kougelpopf or pretzels.

- We are at your disposal to prepare a **personalized quote**.
